

# GstarCAD 2016 Installation

1001 GstarCAD Malaysia June 30, 2021 [Installation](#) 0 7133

Note : GstarCAD trial version has 30 days full functional evaluation period. After the evaluation period some CAD functions (e.g. save, export and copy - paste) will be limited.

Download area : [www.gstarcad.com.my](http://www.gstarcad.com.my) and [www.neofame.com.my](http://www.neofame.com.my).

GstarCAD 2016 Install Wizard will guide the user to install the software in the operating system completely and successfully.

Double-click the executable file downloaded and the "GstarCAD Install Wizard" dialog box will pop up. Click "Browse" and choose the destination path where setup will install the files and then click the "Options" button.

In the "GstarCAD Install Wizard->Option" dialog box , Users can select or deselect the features according to your need. Click the "Next" button.

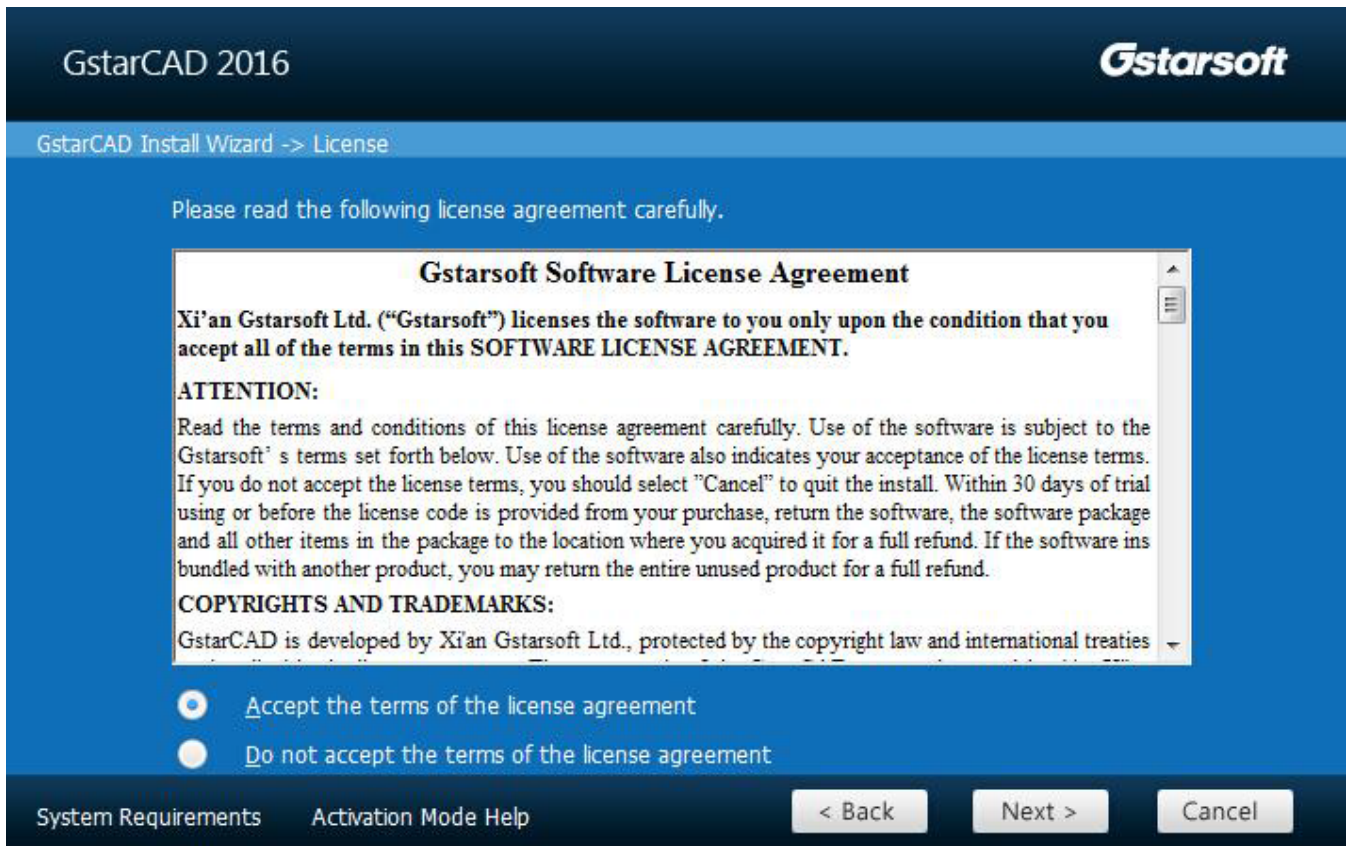

Confirm the path and click the "Install" button to continue.

The "GstarCAD Install Wizard->License" dialog box is displayed. If you agree with the license

agreement, check “Accept the terms of the license agreement” and click the "Next" button.

Then the wizard is ready to begin the program installation. If you want to review or change any of your installation settings just click the "Back" button. Click the "Install" button to continue the installation.
