

CLEANSCREENOFF command

2034 GstarCAD MY /KW April 11, 2022 [CAD Commands](#) 0 1321

The **CLEANSCREENOFF** command is used to clean the toolbar and fixable window (except command line window) on the screen.

Command Access:

Menu : View > Clean Screen

Command : CLEANSCREENOFF

Shortcut : CTRL+0

Function Description:

After executing this command, it only displays the menu bar, Model label and Layout label at the bottom of drawing, states bar and command line on the screen. Users could use the CLEANSCREENOFF command to restore display of interface that hidden by the CLEANSCREENON command.
